In this troubled old world, we're glad to find one unfailing source of satisfaction in our Acadia Shorthorns and Polled Shorthorns. Since there was no card last year, this one includes a gallery of our chief winners in both 1968 and 1969. If you share our admiration for beef cattle, we'd welcome a visit from you to our Acadia Farms in Northfield, Ohio, or Deep Cove Farms in Upper Blandford, Nova Scotia.
